1. READING COMPREHENSION 7 marks

Read the text and answer the questions

1- Susan Potts, 44, is the only child in her family. When she started her married life, she had bigger ideas. Much bigger. With the arrival of Elias recently, their 14th child, she and her husband Michael have finally decided their family is complete.

2- Four years ago, Mr and Mrs Potts bought two houses which were knocked into one to accommodate the family. And to enable them to have their first family holiday for seven years, they have just replaced their car with a minibus.

3- Mrs Potts does the washing in a specialist machine, then spends 15 hours a week ironing. “We always planned to have a big family,” said Mrs Potts. “I am an only child and think a large family is important. But I think we have enough now”. She said: “They are very well-behaved. There is a lot of noise, though. The great thing is the kids are never lonely. They spend so much time playing that they rarely watch television”. Mr Potts, 52, a bus driver, who admits occasionally getting his children’s names confused, said: “There’s never a dull moment in our house.”
